UNSEEN BEAUTY—HANGZHOU, CHINA

Zhejiang is located in the southeast coast of China. It is one of the most developed provinces in China, which owns three national strategies, namely Zhejiang Ocean Economic Development Demonstration Area, Zhoushan Islands new district, Yiwu International Trade Comprehensive Reform Pilot.

- Hangzhou is the capital city and center for economy, science, education and culture of Zhejiang Province which hosted the G20 Leaders Summit 2016 and will host the 2022 Asian Games.
- Hangzhou is a city with four distinct seasons. It is warm and humid, the average annual temperature is about 17.4 °C.
- Hangzhou is adjacent to Shanghai. The transportation is convenient, and it takes only 45 minutes to Shanghai by high-speed train.
- Hangzhou is a very famous tourist city with a very long history, renowned as "Paradise on Earth" and has rich products like silk and Longjing Tea.
- The West Lake in Hangzhou is the cultural heritage of the world. The world's longest canal known as the Great Canal winds through the city as well as the Qiantang River which is noted for the magnificent view of the tidal rush.
- Hangzhou is suitable for both studying and living which has been awarded such prizes as "The Best Human Settlement Award", "City with Best Security" and "City with the Most Happiness".
